1 Welcome to the trust

Welcome to the Rose Learning Trust. Whether you are a member or a trustee your commitment to undertake a voluntary role in governance within the trust is greatly appreciated. You will help make a difference to the life chances of young people in our trust.

We are a trust founded on a shared belief that the best interests of pupils should be at the heart of the future of our schools. Our trust was founded by the Head Teachers and Governors of two schools who shared this belief and wanted to take the necessary steps to ensure that this was at the forefront of our educational futures.

We believe that all pupils should have the opportunity to achieve their full potential. Our focus is ensuring that all of our pupils have the best tools and support to learn and grow in a safe, enjoyable environment. We acknowledge that results are not the full picture. If pupils do not enjoy school or do not gain the life skills to make the most of their qualifications, success might evade them. We aim to provide an environment in which pupils can develop wholly, not just academically.

We seek to support and challenge each other to improve the outcomes and life chances of all the pupils across the communities of the Trust, whilst respecting the aspects of practice that are distinctive to our individual communities.

Our motivation is sustainable, mutually accountable collaboration and school improvement, focusing predominantly on how this will raise standards of teaching and learning for our pupils. With effective collaboration, good practice, and the sharing of resources, we aim to broaden the future opportunities of both our pupils and staff.

Our aim is not only to grow our Multi Academy Trust (MAT) successfully but also sustainably. We believe that through quality, not quantity, we can facilitate opportunities for our Trust that can be invested back into the people who will secure our future: pupils and staff.

Our Vision and Mission

Our Vision – Transforming futures collaboratively

Our Mission – Expecting more than others think possible

A Trust in which schools seek to support and productively challenge each other to improve outcomes and life chances for all its pupils in all its communities.

A Trust which shapes the educational future rather than being shaped by events

2 Governance structure of the Rose Learning Trust

The Rose Learning Trust is a charitable voluntary organisation which relies on the valuable input of a considerable number of non-executive volunteers, supported by an experienced team of staff.

School governance regulations and the DfE’s Governance Handbook identify **3 core functions** for governing boards:

- Ensuring clarity of vision, ethos, and strategic direction
- Holding executive leaders to account for the educational performance of the organisation and its pupils, and the performance management of staff
- Overseeing the financial performance of the organisation and making sure its money is well spent

Governance within the trust operates at 3 levels:

Trust Members – the guardians of the constitution

Trust Board – the Trustees

Local Governing Bodies – the governors

A central team of staff consisting of the Chief Executive Officer (CEO), the Deputy Chief Executive Officer (DCEO), Chief Finance Officer (CFO) and the Chief Projects Officer (CPO) support effective governance at all levels.

Members

Members of the trust have an important role to play in overseeing and holding the Trust Board to account for the governance arrangements of the trust.

The Members appoint trustees to ensure the trust’s charitable object is carried out and can remove trustees if they fail to fulfil this responsibility.

The Trust Board submits an annual report on the performance of the trust to the Members. Members are also responsible for approving any amendments made to the trust's Articles of Association. Members are in effect the 'guardians' of the governance of the trust.

3 The Trust Board

The Trust Board has strategic oversight and ultimate responsibility for all management decisions within the trust academies. As with all governance boards in state-funded schools in England, the Board has three core functions:

- Ensuring clarity of vision, ethos and strategic direction.
- Holding executive leaders to account for the educational performance of all schools and their pupils within the trust, and the effective and efficient performance management of staff; and
- Overseeing the financial performance of the trust and making sure its money is well spent.

In practice, this means that it is responsible for setting the trust's overarching policies, adopting the trust's School Improvement Plan, budget plan, monitoring performance against these plans and making major decisions about the direction of the trust, including its curriculum, and the achievement and welfare of students and staffing. In addition, the Trust Board has responsibility for the following:

- Set the central services retainer
- Compliance with the provisions of the Funding Agreements
- Compliance with the Academy Trust Handbook including, but without limitation, determination of procurement policies for the trust
- Annual approval of the trust budget including those of each academy
- Is the legal employer of all staff, responsibility for human resource policies and procedures and terms of conditions of service?
- Appointment of the internal auditor for the trust
- The appointment, job description, appraisal, remuneration and dismissal of the CEO
- Compliance with all statutory regulations and Acts of Parliament governing the operation of the trust
- Determination of the admissions policy and arrangements for the trust in accordance with admissions law and Department for Education's (DfE) codes of practice
- Any other matter not covered above but set out in the Matrix or any other change in law or policy which places extra responsibility or authority on the trust

Further details of the current membership of the Trust Board can be found at the following weblink:

<https://www.roselearning.co.uk/page/governance/60960>

The Trust Board is the legally accountable body for all decisions taken in the trust however, the Board does not need to take all decisions; it believes that, where possible, governance should be as close as possible to the point of impact of decision making, therefore it has delegated a range of decisions to:

- The CEO and other executive leaders within the central team
- Local Governing Bodies of individual academies
- Head Teachers of individual academies

These delegated decision-making powers are recorded in its written Scheme of Delegation which provides clarity as to who the decision makers are for various levels of decisions.

The Trust Board reviews and amends the Scheme of Delegation on an annual basis.

The CEO and the Central Team

The CEO and the Deputy CEO are responsible for school improvement across the trust, producing the trust's Developing Excellence Plan and formulating policies and appropriate targets to achieve the trust's vision, aims and objectives. The CEO is also the Accounting Officer, linking the accountability and governance structures of the trust. The CEO is responsible for making day-to-day decisions in the running of the trust's central team.

In addition to the CEO and DCEO, the Senior Leadership Team at central trust level also comprises the Head Teachers of each school, the Chief Finance Officer, and the Chief Projects Officer. The team is responsible for implementing the Developing Excellence Plan across the central functions of the trust and at individual school level.

The Senior Leadership Team at individual school level comprises of at least the Head Teacher, Deputy Head Teacher(s) and School Business Managers who are responsible for the implementation of individual Developing Excellence Plan and will lead each school towards their agreed targets.

Further details of the current membership of the Central Team can be found at the following weblink: <https://www.roselearning.co.uk/page/our-staff/60959>

Local Governing Bodies

The Local Governing Bodies of The Rose Learning Trust academies vary in number but have a minimum of **6** members and a maximum of **8, plus the Head Teacher**. All governors are appointed for a four-year term of office and may be re-appointed for a further term of office upon the expiry of their current term. We have taken a skills-based approach to getting the right governors for each academy. Our approach aims to increase the effectiveness of the local governing body ensuring that it sets the vision and direction for the future and holds the academy to account for its standards and conduct.

The membership of all RLT governing bodies include: -

- The Head Teacher
- Two elected parent members
- One elected Staff Member
- Such other members as the Trust decides

The current membership of each LGB can be found on the website of each respective academy. Trustees and central team staff reserve the right to attend any LGB meeting.
